SERVICE FACILITIES

IT is the aim of Rolls-Royce Ltd. that a comprehensive Service Organisation should be available to every owner of a Rolls-Royce car.

With this end in view, certain Retailers with properly equipped Service Stations, staffed by personnel who have been specially trained, have been appointed by Rolls-Royce Ltd. to undertake the servicing of their cars.

Should you require any assistance, we ask that you contact either the Retailer from whom the car was purchased, or in the event of an emergency, the nearest appointed Retailer, who will be pleased to place his Service facilities at your disposal. If necessary, he will call in for consultation our engineer in that area, to give advice if any servicing difficulty arises.

A full list of Retailers' names and addresses where assistance is available is given, and a map shows the location of those in Great Britain. When it is more convenient to call on us direct, our Main Service Station at Hythe Road, Willesden, London N.W.10 Telephone No.: LADBroke 2444; Telegraphic Address: "SILVAGOST WESPHONE LONDON", and the Repair department at Pym's Lane, Crewe Telephone No.: Crewe 3271; Telegraphic Address: "ROYCRU", will be ready to assist.

Where the Retailer's office address differs from that of the Service Station, the office address is marked *

LUBRICATION AND MAINTENANCE

We wish to make known to Owners that the lubrication and maintenance attention called for in the Instruction Book at 5,000 miles and 10,000 miles respectively, has been made the subject of standardised schedules, at fixed prices, which may be carried out at either of the Company's Service Stations mentioned above, or at any of the officially Appointed Retailers listed herein.

In the event of owners wishing to have this work carried out, it is respectfully suggested that a prior appointment be made.
